Services and Fees

Meridian Crest Realty

Our Services

Residential Sales. We list, market and sell family homes, townhouses and apartments, handling pricing advice, viewings, negotiation and paperwork.

Buyer Representation. A dedicated agent searches for properties, arranges viewings and negotiates on the buyer's behalf. Buyers pay nothing for this service; the agent's share is paid out of the seller's commission.

Rentals and Tenant Placement. We advertise rental properties, screen applicants and prepare lease agreements.

Property Management. We collect rent, arrange maintenance and inspect properties on behalf of landlords.

Commercial Property. We sell office suites and other commercial space, such as listing MC-106.

Free Home Valuation. Any homeowner can request a no-cost valuation of their property.

Mortgage Referral. We introduce clients to partner lenders at no charge. Meridian Crest Realty does not issue mortgages and does not set interest rates.
